

HOW TO UPLOAD YOUR Verification Documents

Proof of ID

Take a photo of your passport. Please make sure that ALL 4 corners of the document and the applicant's full name are visible.

You can also take a photo of your ID or national identity card. (the documents must contain your nationality and place of birth).

Please, note that scanned copies are not acceptable.

Proof of Residence

Any utility bill (electricity, gas, water, or a landline phone) - (issued within the last three months), bank statement (issued within the previous six months), or certificate of residence (issued within the last six months). Full name(not initials), address, and date must be unmistakable, and the archive must be dated inside three months. Kindly ensure that ALL 4 corners of the report are noticeable.

Please NOTE: that mobile phone or mobile internet bills are not accepted, bills from shops/service centers/car insurance also can't be accepted.

Credit Card

Photo of both sides of the credit/debit card used for the payment. The first four digits of your card number and last four digits on the front side, the expiry date on both sides of the card and your signature should be visible. The CVV and eight digits in the middle of the card number should be hidden. In the example below, you'll see the card's areas that should be opened for us.

IMPORTANT: please NOTE that all documents should be in a good quality, colored, readable, full-sized, with all borders and corners visible (so please leave more space at all sides of the document, even 5mm from the border of the document, will be enough).
